ACHIEVING RESULTS FOR WOODFORD

I am delighted to see the improvements that have been made in Woodford and the surrounding community and am very pleased that I have been able to assist the community in my role as Minister for Rural Affairs and TD for Galway East. I want to acknowledge the voluntary work of all organisations in bringing about these improvements, which are so important to the local community.

Recently the village has received:

- €100,000 from my Department under the Town and Village Renewal Scheme to replace footpaths
- €80,000 from my Department under the Rural Regeneration Fund for Derrycrag Nature Trail
- €31,300 for the astro pitch and lighting for Tommy Larkins GAA under Sports Capital Grants
- €23,400 for a storm water collection system at Rossmore from the Office of Public Works
- Funding for rehabilitation work at Bolagh Bridge
- Funding for the Woodford Furnace Festival under the Small Scale Local Festivals and Summer Schools Fund

I am determined to support rural communities like Woodford to ensure they continue to improve, develop and preserve their localities.

If you have any issues you wish to discuss, feel free to contact me to arrange a meeting.
